About the University

Noorul Islam College of Engineering established in the year 1989 has now attained the status of Deemed-to-be-University gaining the new name Noorul Islam Centre For Higher Education. Janab Dr. A. P. Majeed Khan, a well-known educationalist, is the Chancellor of the University. The entire campus is situated in the serene and lush green base of Veli Hills, a spectacular part of Western Ghats near the historically famous Padmanabhapuram Palace.

About the Department

The Department of Mathematics came into existence ever since the inception of the Noorul Islam College of Engineering. The Department has well-qualified faculty with four Professors and eleven Asst. Professors serving the students of U.G. and P.G. programmes. With twelve Ph.D. degree holders among its teaching faculty, the department has remarkable academic and research ambience to its credit. It offers M.Sc., M. Phil. and Ph.D. programmes in Mathematics.
